

## **Welcome to the Competition Accessories® Customer News section.**

**UPDATED 12/03/08**

This area is designed to provide up to date information on products and services available to our power sports enthusiast community. Please check here when you visit us to find out about new products, expected delivery dates on popular products and more.

### **Back Order Delivery dates**

This has been a challenging supply year for usually reliable manufacturers. Many of these items are just beginning to come back into distribution at this time.

If you would like to check on backorder delivery dates on any items please call us at 800-543-8208.

### **Christmas Orders ..... Relaxed returns procedures**

Please note all current orders placed after Nov. 1, 2008 are assumed to be "Christmas Orders". This means that the return date restrictions are changed from our normal 2 weeks for refund / 30 days exchanges to Jan 31, 2009 for all. Orders placed after Jan 1, 2009 return to our normal policies.

### **Tires**

Tires have gone up considerably during the past year. Dunlop has had 3 cost increases and the other major manufacturers at least 2. You would like to think they would hold steady for a while but don't bet on it. We strongly encourage you to order your tires now for next season. This will avoid higher prices and possibly shortages next year.

Is your club having a poker run, rally or other event this year ?

Email [compblogger@compacc.com](mailto:compblogger@compacc.com) with the details and we'll be sure to get you some T-shirts as door prizes. Please allow 90 days lead time as requests get pretty heavy during the season and last year we ran out early so if that's the case this year we'll want to know ahead of time and reorder.

Check back often for additional updates .....Or if there is some information you would like to see included here contact Dan at the following e-mail address
